1) Create inspection form for flagged PBs

*return all paper, ink, filter turned on? how many pics taken? what time did photos start/stop?

3) social media articles

4) web & seo articles

5) figure out thanksgiving

David will probably be going to OH for Thanksgiving. But they won't know until last minute.

This means that we would only do thanksgiving in the morning, and no christmas tree cutting...I will only see David on Wed night / Thursday morning.

Martin will be off on Friday night... which means I need to get home by Friday night
But Martin will also be off on Wednesday night... which means I can't leave until Thur

Option 1: Wed-Fri (Martin will be off on Wed night... big party night)

Option 2: Thur-Sat (Martin will be off on Fri night..... party night)

Option 3: Thur-Sun (Martin will be off on Fri night & Sat night... go to Keys?)

Option 4: Go the wknd prior (with martin if he's off.... otherwise without martin and he can be on call)

MARTIN QUESTIONS:

1. Can you be on 1st call for Wed and Thur? (Since you prob won't have to go in on thanksgiving anyways)
**if so, then I'll go home Wed-Fri

2. Can you come with me to WI the weekend prior?

3. Can you be on call the weekend prior? (First on Fri & Sat?)

6) Figure out remaining questions on condo:

STAIRS:

1. Wrap for the side of stairs & bottoms of steps
2. Step material
3. Railing
4. Top wall?

KITCHEN:

1. Counter depth
2. Sink size
- 3.

FLOORING:

1. Order tiles

GENERAL:

1. Figure out actual toilets vanities etc
